

Maple Grove Puppies

Health Guarantee/Contract

The seller certifies that the puppy you purchased is in sound health at the time of sales to the best of my knowledge, and has been given all vaccinations and wormings dated on the Vaccination Report to the Buyer(s). I do my best to provide the new owner with a healthy puppy. Buyer will become responsible for further vaccinations, boosters & wormings. If the puppy becomes sick or has genetic default, the following situation must be adhered to in order for a replacement to be made. Official report from a licensed vet stating, without a doubt, the puppy has a genetic defect that would hinder the pup, must be sent to me along with a number of the vet's office. If the puppy should die, an autopsy must be done by a licensed vet stating the cause of death. The documentation must be forwarded to me before a determination will be made. The seller reserves the right to confirm the diagnosis with a vet of my choice. The seller will not be responsible for any expenses you may incur, including return shipping & vet's expenses.

This warranty applies only to the original buyer. Parasites are not covered under this warranty as a puppy can pick these up overnight in travel. Your puppy will be up to date on wormings & should be wormed regularly as recommended by your vet.

Hernias, Umbilical or Inguinal are occasionally present in puppies. If surgery is required, we provide \$50 for Umbilical & \$75 for Inguinal. Most will be outgrown. If not, they can easily be repaired at time of spaying/neutering which is highly recommended if you are not planning on breeding.

We have raised this puppy from sound parents & it is your responsibility to take good care of him/her to ensure long healthy life. You may play an important role in helping your puppy to grow into a healthy adult.

If you are not able to keep this pup in the future & wish to return the pup to the seller, you may do so along with the paperwork provided by the seller at the time of purchase. You **WILL NOT** receive a refund for this pup.

I, the seller, do hereby agree to offer 2 week health & 1 year genetic warranty on this puppy as stated in the condition above.
